In claim 1, line 4, --and said-- has been inserted before "left".

In claim 1, line 6, "formed at" has been deleted and --extending between-- has been inserted after "handle".

In claim 1, line 7, --said-- has been inserted before "left".

In claim 1, line 8, --,in a closed position,-- has been inserted after "agreement".

The following is an examiner's statement of reasons for allowance: the prior art fails to teach a portable nail salon comprising a body having an ergonomic curved rear panel, attached to corresponding crescentric left and right sides; a base adjacently connected to the rear panel and the left and right sides forming an inner cavity; a handle attached between the top of the left and right sides; and curvilinear upper and lower panels hingeably attached to the left and right sides in congruent agreement, in a closed position, to enclose the inner cavity.
